II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Amount in Controversy Attachment

- 1.) The amount at stake in this case is \$6,500,000,000.00 plus all interest and relief plaintiff is entitled to under the law.
- 2.) Defendants actions have been erroneous, willful, intentional, malicious, oppressive, fraudulent, vindictive, gross recklessness, negligence, incompetence and extremely dangerous to the child and plaintiff.
- 3.) The defendants must be deterred from this kind of behavior in the future to insure that the children of this state are protected from the defendants current and continuing behavior claiming it's in the best interest of the child.

- C. What are the facts underlying your claim(s)? *(For example: What happened to you? Who did what? Was anyone else involved? Who else saw what happened?)*

CPS,FBSS have made repeated visits to D.C.Cannon Elementary School and interrogated Samuel Lee Foster II without prior authorization from parent or guardian. The school failed to notify the family of cps and fbss coming to the school and the school and dfps both failed to get signed authorizations for the unwanted visits and interrogations and they denied both parent and child of their civil rights to privacy and against unwarranted search and seizures as well as the right to counsel being present during time of interrogations being done. The Principal Angela House and the Assistant Principle Lindsay Walker are responsible for allowing Alicia Emhart from FBSS and Aisha Coutain From CPS to have unconstitutional access to the child for the purposes of gathering unlawful and coerced information from the child. all this after the school had already been told that they were not allowed to give dfps,cps,or fbss access to the child. the school is for educating not interrogating.

IV. Irreparable Injury

Explain why monetary damages at a later time would not adequately compensate you for the injuries you sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured.

The amount of damage from the unlawful and unconstitutional removal of the child to the mother and child is immeasurable the prolong oppression in this case has unknown and unforeseen mental damages that can not be determined at this time or if ever. the child has been placed on adderal xr for his behaviour which has never been tested on a child under the age of 6, the child's family history consist of heart problems and both cps and fbss workers were told this and casa of hunt who is representing the child has also been told and the medication the child is on at age 5 induces deadly heart attacks and they refuse to take him off of the medication which puts more unwanted stress and worry upon the plaintiff that the child could be killed at any time which will be construde as murder of the child. the plaintiff has suffered from depression and insomnia as a result of this unwanton act of revenge for her father throwing the dfps workers out of his home for verbally and mentally abusing her and making threats of unwanted legal problems and unwanted financial burdens if she and her family did not do exacty as they demanded.

V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.
